Annwyl Syr/Madam / Dear Sir/Madam,

RE: PLANNING ACT 2008 (as amended) – SECTION 55

I write on behalf of Gwynedd Council in response to your letter dated 22nd October 2015 regarding the above matter.

Having regard to the requirements of sections 42, 47 and 48 of the Planning Act 2008, it is confirmed that in Gwynedd Council's opinion, Snowdonia Pumped Hydro Ltd, have carried out adequate pre-application consultation in accordance with the relevant provisions as set out in the aforementioned sections and sub-sections of the Planning Act 2008.

A series of meetings were held between the applicant and Gwynedd Council and other bodies including Natural Resources Wales during 2014 and 2015 which discussed several pre-submission matters relating to the proposed DCO application.

Snowdonia Pumped Hydro Ltd prepared an informal draft of a Statement of Community Consultation (SoCC) for Gwynedd Council on 7th November 2014 and a further formal draft on 21st November 2014. The Council formally responded to the formal draft document on 19th December 2014. In developing the SoCC, Snowdonia Pumped Hydro considered the comments of Gwynedd Council before formally publishing its SoCC on 26th January 2015.

As detailed in the SoCC dated 26th January 2015, it is considered that Snowdonia Pumped Hydro Ltd have undertaken an extensive and inclusive series of consultation events in support of the Glyn Rhonwy Pumped Storage scheme.

As a consequence, Gwynedd Council considers that an adequate consultation programme has been conducted which is considered to be in accordance with the requirements of sections 42, 47 and 48 of the Planning Act 2008.
